

HONORED, TRUSTED, LOVED: ST. PATRICK'S RESIDENCE NAMED #1 BEST OF NAPERVILLE

Delivering dignity, compassion, and faith-based care where The Difference is Lovesm.

Naperville, IL — The community of Naperville has reason to celebrate as Naperville Magazine via the Chicago Tribune on August 24, 2025, announced that **St. Patrick's Residence Nursing and Rehabilitation** has been voted **#1 Best of Naperville 2025**. Selected as the winner among many other outstanding homes in the area, this recognition goes to show and highlight to the

dedication of the Carmelite Sisters for the Aged and Infirm, staff, volunteers, and families who make St. Patrick's Residence a true home

for its res-

idents.

For more than 35 years, St. Patrick's Residence has been a trusted and cherished part

of the Naperville community. Since opening its doors in 1964, the not-for-profit home sponsored by the Carmelite Sisters for the Aged and Infirm has been dedicated to providing compassionate, faith-based care for individuals and families; regardless of race, disability, or religious affiliation.

"We are honored to receive this recognition," said Kate Marrero - Administrator. "This award reflects the dedication of our Sisters, staff, volunteers, and the many families who entrust us with the care of their loved ones. At St. Patrick's, we truly believe "The Difference is Love" and this recognition affirms our mission to care for every resident with dignity, respect, and compassion."

St. Patrick's embodies the spirit of love in every aspect of its service.

A TRADITION OF COMPASSION

What sets St. Patrick's Residence apart is its holistic

approach to care. Beyond medical and rehabilitative services, the Residence emphasizes the emotional and spiritual well-being of every resident. Caregivers at St. Patrick's view their work not simply as a profession, but as a vocation— a calling to serve with compassion and to walk alongside residents and families during life's most tender moments.

The community's trust in St. Patrick's has grown over the decades, making it not only a respected healthcare facility but also a cherished extension of home for many families across Naperville and beyond.

COMPREHENSIVE SERVICES FOR EVERY STAGE OF LIFE

St. Patrick's Residence offers a wide range of services, ensuring that every individual receives care tailored to their needs.

These include:

- Long-Term Care
- Respite Care
- Rehabilitation Services
- Advanced Care Unit
- End-of-Life Care

Each service is delivered with the same commitment to dignity and love, reinforcing the Carmelite mission of caring for the whole person—body, mind, and spirit.

A MISSION ROOTED IN LOVE

This award not only acknowledges excellence in care but also highlights the vision of the Carmelite Sisters for the Aged and Infirm. Inspired by the legacy of Venerable Mary Angeline Teresa, O.Carm., St. Patrick's Residence

continues to embody the principle of being "Kinder than Kindness itself," bringing light and comfort to residents and families alike.

LOOKING AHEAD

Receiving the #1 Best of Naperville award is both an honor and a responsibility. It affirms the trust placed in St. Patrick's by the community and motivates the Residence to continue its mission with even greater dedication. The Sisters and staff remain committed to evolving with the changing needs of elder care while preserving the timeless values of compassion, respect, and love that have defined St. Patrick's since its founding.
